Suite 500
Washington, DC 20005

RE: Statement of Indemnification, Liability, and additional information about the G.SHDSL Modems, Models 3085, 3086 and 3224

ACTA Secretariat:

Patton Electronics hereby indemnifies and holds harmless the Administrative Council for Terminal Attachment (''ACTA''), its members, affiliates, Secretariat, and Sponsors, and each of their officers, directors, employees, participants, agents and representatives (the ''ACTA Parties''), of and from any and all liabilities, losses, costs, damages, claims, suits or expenses (including reasonable attorneys' fees and costs) of any kind whatsoever, arising from or relating to the Product, or **Patton Electronics** Supplier's Declaration of Conformity (''SDoC'') submitted to ACTA in connection therewith.

Patton Electronics hereby acknowledges and agrees that ACTA, and the ACTA Parties shall not, and do not, assume, and expressly disclaim, any and all liability, responsibility and obligation in connection with any loss, damage or claim arising from or relating to, in any way, ACTA's inactions or actions relating to publication, distribution or other use of any information relating to or concerning the Product, including without limitation in connection with any claims or liabilities sounding in contract, tort (including negligence or strict liability), or otherwise, and in no circumstances shall ACTA or the ACTA Parties be liable for any loss of profits, loss of use, loss of production, loss of goodwill, or incidental, direct, indirect or consequential damages of any kind.

Pursuant to §68.218 and §68.348 in the FCC Rules and Regulations, no changes will be made to the above referenced Product or its protective circuitry that would result in any change in the information contained in the corresponding SDoC without filing of a new SDoC.

As specified in §68.324 (e)(3) a copy of the SDoC is freely available to the general public, and accessible to the disabled community, on the company website at 'patton.com'.
