Notice of Change filing for adding a new alternative product brand name "Siemens HiPath OpenOffice EE" to FCC Part 68 certified Siemens HiPath2036

This application is to notify ACTA of Siemens Enterprise Communications marketing decision to add a new alternative product brand name " Siemens HiPath OpenOffice EE " to the existing FCC Part 68 registered Siemens HiPath 2036 system. A copy of the certificates with Certification Numbers "**AY3MF01BHP2036**" are attached for your reference.

Siemens HiPath OpenOffice EE is the new product brand name used globally by Siemens for HiPath 2036 system with new convergence capabilities to provide applications platform and VoIP solutions.

The adding of the new alternative product brand name involves only cosmetic changes to the mechanical design of the equipment cabinet and the product name plate.
