FCC Part 68 – Notice of Change Filing for
Siemens "OpenStage" series IP-based feature phones

This is the notice of change filing for the addition of Siemens proprietary "OpenScape Desk Phone IP55G" models to the FCC Part 68 certified IP-based feature phones:

OpenStage IP-based telephones with FCC Part 68 registration US:AY3IPNANOPENSTG

"OpenStage" series IP-based feature telephones have the following 6 models:

a.) OpenStage 15,	Model No. S30817-S7401-C501	
b.) OpenStage 20,	Model No. S30817-S7401	
c.) OpenStage 40,	Model No. S30817-S7402	
d.) OpenStage 60,	Model No. S30817-S7403	
e.) OpenStage 80,	Model No. S30817-S7404	
f.) OpenScape Desk Phone IP35G,	Model No. S30817-S7701	
g.) OpenScape Desk Phone IP55G,	Model No. S30817-S7702	(new)

The Siemens "OpenStage" series IP-based feature phones have no direct connection to the public network. It can be configured by software to function as a standalone voice over IP (VoIP) telephone for connection to internet, LAN and WAN using internet protocol to access the front-end host terminal equipment for connection to the public switched telephone network.

The connection of Siemens "OpenStage" series IP-based feature phones to FCC Part 68 registered host terminal equipment does not require changes to any of the FCC Part 68 registered network interface circuits. All tests required to prove the compliance of Siemens "OpenStage" series IP-based feature phones with the FCC Part 68 requirements were conducted in the Siemens compliance lab SEN VA LC D ES1. The test results confirm the Siemens "OpenStage" series IP-based feature phones comply fully with applicable ANSI/TIA-968-B requirements adopted by ACTA.

Sincerely

Ulrich Wichmann

AOF Indemnification and Liability Statement (NORMATIVE)

September 2, 2013

ACTA Secretariat
c/o ATIS
1200 G Street, NW
Suite 500
Washington, DC 20005

RE: Statement of Indemnification and Liability for use of the ACTA Online Filing ("AOF") system for
Siemens OpenStage series IP phone bearing label identification US:AY3IPNANOPENSTG.

ACTA Secretariat:

To access the ACTA Online Filing ("AOF") database of Part 68 approved telephone terminal equipment ("TTE"), I acknowledge that it is necessary for each entity, organization and individual, whether accessing the database on its own behalf or on behalf of another, including each Telecommunications Certification Body (a "TCB") and each Responsible Party (a "RPC"), to obtain a password. By submitting this statement, I agree to the following terms and conditions and request a password.

As a Responsible Party I agree to indemnify and hold harmless the Administrative Council for Terminal Attachment ("ACTA"), its members, affiliates, Secretariat, and Sponsors, and each of their officers, directors, employees, participants, agents and representatives (the "ACTA Parties"), of and from any and all liabilities, losses, costs, damages, claims, suits or expenses (including reasonable attorneys' fees and costs) of any kind whatsoever, arising from or relating to submissions, filings, or information submitted to ACTA, or the Responsible Party's Supplier's Declaration of Conformity ("SDoC") or Telecommunications Certification Body (a "TCB") Grant of Certification submitted to ACTA in connection therewith.

I further acknowledge and agree that ACTA, and the ACTA Parties shall not, and do not, assume, and expressly disclaim, any and all liability, responsibility and obligation in connection with any loss, damage or claim arising from or relating to, in any way, ACTA's inactions or actions relating to publication, distribution or other use of any information relating to publication, distribution or other use of any information relating to or concerning submissions, filings, or information submitted to ACTA, including without limitation in connection with any claims or liabilities sounding in contract, tort (including negligence or strict liability), or otherwise, and in no circumstances shall ACTA or the ACTA Parties be liable for any loss of profits, loss of use, loss of production, loss of goodwill, or incidental, direct, indirect or consequential damages of any kind.

I further agree that pursuant to §68.218 and §68.348 in the FCC Rules and Regulations, no changes will be made to the terminal equipment submitted to ACTA for inclusion in the database of approved Part 68 equipment or the protective circuitry that would result in any change in the information contained in the corresponding SDoC or TCB Grant of Certification without filing of a new SDoC or TCB Grant of Certification.

Where applicable, I also agree to make freely available to the general public and accessible to the disabled community a copy of any SDo I submitted to the ACTA database of Part 68 approved TTE or, in the alternative, to cause a copy of any SDoC I submitted to be freely available to the public via the ACTA web site with the understanding that such service may be subject to an administrative fee.

I UNDERSTAND THAT AGREEMENT TO THE FOREGOING SHALL BE BINDING ON MYSELF, AS WELL AS ON EACH ENTITY AND ORGANIZATION ON WHOSE BEHALF I AM ACTING IN CONNECTION WITH THE ACTA BATABASE. IN ADDITION I AGREE TO BE BOUND TO EACH OF THE FOREGOING TERMS AND CONDITIONS TO THE EXTENT THEY ARE AGREED TO BE ANY ENTITY, ORGANIZATION OR INDIVIDUAL THAT, IN CONNECTION WITH THE ACTA DATABASE, REPRESENTS ITSELF OR HIMSELF TO BE ACTING ON MY BEHALF OR ON BEHALF OF ANY ENTITY OR ORGANIZATION REPRESENTED BY ME IN CONNECTION WITH THE ACTA DATABASE.

Hofmannstr.51, D-81379 Munich / Germany

Supplier's Declaration of Conformity

for

Siemens OpenStage series IP-based phone bearing labeling identification number US:AY3IPNANOPENSTG

Reference Number: SIEMENS SDoC-019

Place of Issue: Munich, Germany

Date of Issue: September 2, 2013

Siemens Enterprise Communications GmbH & Co. KG located at D-81379 Munich, Hofmannstr.51, in Germany certifies that the Siemens OpenStage series IP-based feature phones with Model Number S30817-S7401-C501, S30817-S7401, S30817-S7402, S30817-S7403, S30817-S7404, S30817-S7701, S30817-S7702 bearing labeling identification number US:AY3IPNANOPENSTG comply with the Federal Communications Commission's ("FCC") Rules and Regulations 47 CFR Part 68, and the Administrative Council on Terminal Attachments ("ACTA") - adopted technical criteria

ANSI/TIA-968-B	Telecommunications – Telephone Terminal Equipment – Technical Requirements for Connection of Terminal Equipment to the Telephone Network, August 2009.
ANSI/TIA-1096	Telecommunications – Telephone Terminal Equipment – Connector Requirements for Connection of Terminal Equipment to the Telephone Network, August 2006

Siemens Enterprise Communications GmbH & Co. KG hereby asserts that the Siemens proprietary OpenStage model 15, 20, 40, 60, 80, OpenScape Desk Phone IP35G and IP55G IP-based feature telephones complies with Part 68.316 & 68.317 of the FCC rules and Regulations defining Hearing Aid Compatible ("HAC") and, as such, is deemed compatible with hearing aids.
