FCC Part 68 – Notice of Change Filing for
UNIFY "OpenStage" series IP-based feature phones

This is the notice of change filing for the addition of UNIFY proprietary "OpenScape Desk Phone IP35G ECO" models to the FCC Part 68 certified VoIP-based feature phones:

VoIP-based telephones with FCC Part 68 registration US:AY3IPNANOPENSTG

"OpenStage/OpenScape" series VoIP-based feature telephones have the following 8 models:

a.) OpenStage 15,	Model No. S30817-S7401-C501
b.) OpenStage 20,	Model No. S30817-S7401
c.) OpenStage 40,	Model No. S30817-S7402
d.) OpenStage 60,	Model No. S30817-S7403
e.) OpenStage 80,	Model No. S30817-S7404
f.) OpenScape Desk Phone IP35G,	Model No. S30817-S7701
g.) OpenScape Desk Phone IP55G,	Model No. S30817-S7702
h.) OpenScape Desk Phone IP35G ECO	Model No. S30817-S7710 (new)

The UNIFY "OpenStage/OpenScape" series IP-based feature phones have no direct connection to the public network. It can be configured by software to function as a standalone voice over IP (VoIP) telephone for connection to internet, LAN and WAN using internet protocol to access the front-end host terminal equipment for connection to the public switched telephone network.

The connection of UNIFY "OpenStage/OpenScape" series VoIP-based feature phones to FCC Part 68 registered host terminal equipment does not require changes to any of the FCC Part 68

registered network interface circuits. All tests required to prove the compliance of UNIFY "OpenStage/OpenScape" series VoIP-based feature phones with the FCC Part 68 requirements were conducted in the Intertek Testing Services Taiwan Ltd./Hsinchu Laboratory. The test results confirm the UNIFY OpenStage/OpenScape VoIP-based feature phones comply fully with applicable ANSI/TIA-968-B requirements adopted by ACTA.

Sincerely

AOF Indemnification and Liability Statement (NORMATIVE)

RE: Statement of Indemnification and Liability for use of the ACTA Online Filing ("AOF") system for UNIFY OpenStage/OpenScape VoIP phone bearing label identification US:AY3IPNANOPENSTG.

ACTA Secretariat:

To access the ACTA Online Filing ("AOF") database of Part 68 approved telephone terminal equipment ("TTE"), I acknowledge that it is necessary for each entity, organization and individual, whether accessing the database on its own behalf or on behalf of another, including each Telecommunications Certification Body (a "TCB") and each Responsible Party (a "RPC"), to obtain a password. By submitting this statement, I agree to the following terms and conditions and request a password.

As a Responsible Party I agree to indemnify and hold harmless the Administrative Council for Terminal Attachment ("ACTA"), its members, affiliates, Secretariat, and Sponsors, and each of their officers, directors, employees, participants, agents and representatives (the "ACTA Parties"), of and from any and all liabilities, losses, costs, damages, claims, suits or expenses (including reasonable attorneys' fees and costs) of any kind whatsoever, arising from or relating to submissions, filings, or information submitted to ACTA, or the Responsible Party's Supplier's Declaration of Conformity ("SDoC") or Telecommunications Certification Body (a "TCB") Grant of Certification submitted to ACTA in connection therewith.

I further acknowledge and agree that ACTA, and the ACTA Parties shall not, and do not, assume, and expressly disclaim, any and all liability, responsibility and obligation in connection with any loss, damage or claim arising from or relating to, in any way, ACTA's inactions or actions relating to publication, distribution or other use of any information relating to publication, distribution or other use of any information relating to or concerning submissions, filings, or information submitted to ACTA, including without limitation in connection with any claims or liabilities sounding in contract, tort (including negligence or strict liability), or otherwise, and in no circumstances shall ACTA or the ACTA Parties be liable for any loss of profits, loss of use, loss of production, loss of goodwill, or incidental, direct, indirect or consequential damages of any kind.

I further agree that pursuant to §68.218 and §68.348 in the FCC Rules and Regulations, no changes will be made to the terminal equipment submitted to ACTA for inclusion in the database of approved Part 68 equipment or the protective circuitry that would result in any change in the information contained in the corresponding SDoC or TCB Grant of Certification without filing of a new SDoC or TCB Grant of Certification.

Where applicable, I also agree to make freely available to the general public and accessible to the disabled community a copy of any SDo I submitted to the ACTA database of Part 68 approved TTE or, in the alternative, to cause a copy of any SDoC I submitted to be freely available to the public via the ACTA web site with the understanding that such service may be subject to an administrative fee.

I UNDERSTAND THAT AGREEMENT TO THE FOREGOING SHALL BE BINDING ON MYSELF, AS WELL AS ON EACH ENTITY AND ORGANIZATION ON WHOSE BEHALF I AM ACTING IN CONNECTION WITH THE ACTA BATABASE. IN ADDITION I AGREE TO BE BOUND TO EACH OF THE FOREGOING TERMS AND CONDITIONS TO THE EXTENT THEY ARE AGREED TO BE ANY ENTITY, ORGANIZATION OR INDIVIDUAL THAT, IN CONNECTION WITH THE ACTA DATABASE, REPRESENTS ITSELF OR HIMSELF TO BE ACTING ON MY BEHALF OR ON BEHALF OF ANY ENTITY OR ORGANIZATION REPRESENTED BY ME IN CONNECTION WITH THE ACTA DATABASE.
