TCB ID:

Telephone equipment containing radio frequency circuitry may require additional equipment authorisation(s) to be issued by the FCC prior to marketing such equipment in the United States. Failure to obtain the required equipment authorisations, when required, may subject the Responsible Party to fines and penalties provided for in Table V, Sections 500 and 503 of the Communications Act of 1934, as amended.

Each piece of equipment bearing the listed trade name(s) and model number(s) listed above shall be labelled as specified in 47 C.F.R. Section 68.300 and Telephone Terminal Equipment, Labelling Requirements, TSB168-A.

A copy of the certificate must be presented to the U.S. Customs Service when any foreign made products identified herein are imported into the U.S.

---

The Telecommunication Certification Body listed below has been authorised by the FCC to issue this Equipment Certificate. The equipment listed above has been shown to comply with the applicable rules by the Responsible Party.
