Statement of Indemnification and Liability, and additional information about the Data Track, Tracker Key / CCA Module, Modem, Model No. 14-1005/X, US:DTTMD01B14-1005/X, (the "Product").

ACTA Secretariat:
Data Track Technology hereby indemnifies and holds harmless the Administrative Council for Terminal Attachment ("ACTA"), its members, affiliates, Secretariat, and Sponsors, and each of their officers, directors, employees, participants, agents and representatives (the "ACTA Parties"), of and from any and all liabilities, losses, costs, damages, claims, suits or expenses (including reasonable attorneys' fees and costs) of any kind whatsoever, arising from or relating to the Product, or Data Track Technology's Supplier's Declaration of Conformity ("SDoC") submitted to ACTA in connection therewith.

Data Track technology hereby acknowledges and agrees that ACTA, and the ACTA Parties shall not, and do not, assume, and expressly disclaim, any and all liability, responsibility and obligation in connection with any loss, damage or claim arising from or relating to, in any way, ACTA's inaction's or actions relating to publication, distribution or other use of any information relating to or concerning the Product, including without limitation in connection with any claims or liabilities sounding in contract, tort (including negligence or strict liability), or otherwise, and in no circumstances shall ACTA or the ACTA Parties be liable for any loss of profits, loss of use, loss of production, loss of goodwill, or incidental, direct, indirect or consequential damages of any kind.

Pursuant to §68.218 and §68.348 in the FCC Rules and Regulations, no changes will be made to the above referenced Product or its protective circuitry that would result in any change in the information contained in the corresponding SDoC *12900* without filing of a new SDoC.

As specified in §68.324 (e)(3)Data Track Technology, hereby informs ACTA that a copy of the SDoC is not available to the general public, and accessible to the disabled community, on a company web site that it maintains.
